# Health Snippet – Trust: in Jesus

## Why Trust Jesus Christ? – He is the Only Living God!

**The historical evidence for Jesus:** The 4 eye-witness documents describing Jesus' life, death, & resurrection —

1. by a tax collector (Matthew),
2. by a young man (Mark),
3. by a medical doctor (Luke),
4. by a fisherman (John).

**These documents agree that God came to earth in the person of Jesus — that Jesus the man was also fully God.**

- How Jesus lived with perfect integrity ([Matt 22:16](#)), matchless wisdom ([Luke 20:39-40](#)), passionate justice ([John 2:15-16](#)), overflowing compassion ([Luke 7:13-15](#)).
- We can see this in how Jesus worked miracles only God could do — healing a blind man's eyes ([Mark 10:51-52](#)), commanding a storm to stop ([Mark 4:39](#)), multiplying five loaves and two fish to feed 5,000 ([Luke 9:16-17](#)), and raising Lazarus from the dead ([John 11:43-44](#)).
- We can see this - Jesus said He would be crucified and then rise from the dead three days later ([Mark 8:31](#)). And just as He said — He was crucified ([John 19:18](#)), three days later the tomb was empty ([John 20:2](#)), and over 500 eyewitnesses saw him physically alive from the dead ([1Cor 15:6](#)). Now interceding on your behalf & preparing a place.

# ***The Certainty of Historic Seventh-day Adventist Eschatology***

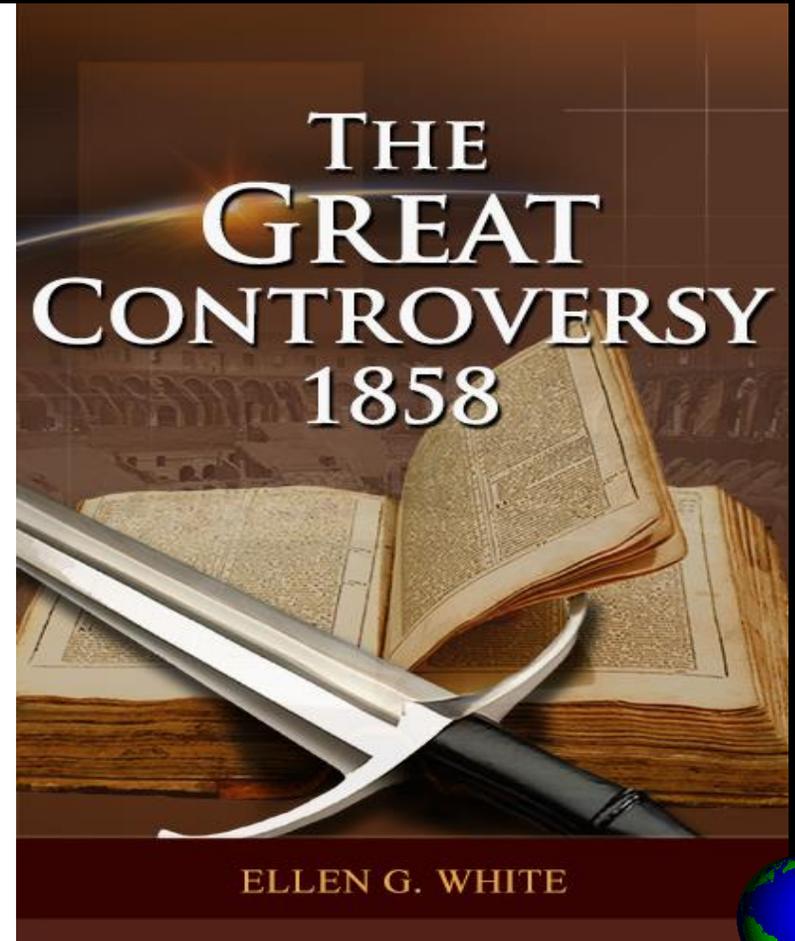

Over the years there have been different voices who have expressed that our historic beliefs were only useful during the 19th Century and that somehow today they are no longer needed. Some have argued that our teachings about the beast and the image, the union of the churches, the enforcement of the mark, 666 and the future persecution of the Remnant people are not an accurate description of the future.

Nothing could be further from the truth. The opposite is actually true. Historic Seventh-day Adventist eschatology is more accurate and more relevant today than at any other time in history. In fact, the closer we get to the end of time the more spiritually significant our final warning message becomes.

**Consider the revelation God gave over 150 years ago regarding the issues that will be at the forefront during the final crisis:**

*“Thus the message of the third angel will be proclaimed. As the time comes for it to be given with greatest power (Latter Rain) the Lord will work through humble instruments, leading the minds of those who consecrate themselves to his service ... The fearful results of **enforcing the observances of the church by civil authority** (Sunday law), the inroads of **Spiritualism**, the stealthy but **rapid progress of the papal power**,—all will be unmasked. By these solemn warnings the people will be stirred. Thousands upon thousands will listen who have never heard words like these”* (Great Controversy, p. 606).

# 1. *The Papal Power today*

It is worthy to notice that when these events were revealed over 150 years ago, the Pope was not traveling all over the world promoting a one world religion. Today, Rome has achieved what medieval popes could only dream about.

They are now working to shape the religious and political landscape in Asia, Africa, Australia, South America, North America and in all of the civilized world. The healing of the deadly wound (Revelation 13:3) is one of the clearest indications that we are at the end. And unlike earthquakes, floods, wars and natural disasters this “healing” only happens one time in Bible prophecy.

**St Peter's Seat painting  
Papal Rome claim this seat**

## 2. A Three-fold Union today

This is an astounding revelation God gave that is now unfolding before our eyes. When Ellen White warned, the coming “three-fold union” Protestants and Catholics weren’t having any interfaith conversations. Ecumenism is a modern phenomena. Protestants and Roman Catholics have only recently been engaging in building bridges during the last 60 years.

*“The Protestants of the United States will be foremost in stretching their hands across the gulf to grasp the hand of Spiritualism; they will reach over the abyss to clasp hands with the Roman power; and under the influence of this threefold union, this country will follow in the steps of Rome in trampling on the rights of conscience” (Great Controversy, p. 588).*

### 3. *Sunday Law Agitation today*

This is a topic that many Seventh-day Adventists are struggling to recognize. And our failure to heed God's warning on this matter is causing us to take a stand on the wrong side. Two important points are made about the Sunday law in the two statements below.

*"The Sunday movement is now making its way in darkness. The leaders are concealing the true issue, and many who unite in the movement do not themselves see whither the undercurrent is tending" (Last Day Events, p. 125).*

*"They (leaders) will point to calamities on land and sea—to the storms of wind, the floods, the earthquakes, the destruction by fire—as judgments indicating God's displeasure because Sunday is not sacredly observed. These calamities will increase more and more, one disaster will follow close upon the heels of another" (Signs of the Times, January 17, 1884 par. 14).*

## POPE FRANCIS | JORGE MARIO BERGOGLIO

- ✚ Pope Francis I is known as a man of humble origins and rare humility.
- ✚ Originally named Jorge Mario Bergoglio, 76, the new pope is known as a doctrinal conservative and a believer in social justice.
- ✚ The Argentinian cardinal has become the first ever pope from the Americas in the history of the Church. He is also the first Jesuit pope.
- ✚ His reputation for humility has been supported by a simple lifestyle.
  - In a lifetime of teaching and leading priests in Latin America, which has the largest share of the world's Catholics, the former Bergoglio has shown a keen political sensibility, according to his official biographer, Sergio Rubin.
- ✚ His personal style is the antithesis of Vatican splendour.
- ✚ As Cardinal of the Catholic Church in Argentina, he passed on the right to have a chauffeured limousine and instead used public transport.
- ✚ Instead of a bishop's palace, he lived in a small apartment.
- ✚ He also reportedly cooked his own meals.
- ✚ This was not the first time he was a papal contender.
- ✚ Vatican insiders say it was a tight fight between Bergoglio and Benedict XVI in 2005 until Bergoglio conceded.
- ✚ Jorge Bergoglio was born in 1936 in Buenos Aires, the son of an Italian railway worker.
- ✚ He joined the Jesuit Order in 1958, where he studied philosophy, literature and psychology.
- ✚ He became a priest in 1969 and graduated as a professor of theology.
- ✚ He was promoted through the ranks of the Jesuits and became Cardinal in 2001.

## **Chapter 6**

### **Ecological Education and Spirituality**

#### **Goal:**

To develop new convictions, attitudes and forms of life including a new lifestyle which requires **CONVERSION**.

#### **Message**

To solve the complex situation facing our world today we need: Education and Spirituality. Christian Spirituality proposes a growth and fulfillment marked by moderation and the capacity to be happy with little. Love, overflows with small gestures of mutual care, is also civic and political, and it makes itself felt in every action that seeks to build a better world.

# Let's Summarise its implications Here is the “Sunday” provision contained in *Laudato Si*:

**Section #237:** *On Sunday, our participation in the Eucharist has special importance. Sunday, like the Jewish Sabbath, is meant to be a day which heals our relationships with God, with ourselves, with others and with the world. Sunday is the day of the Resurrection, the “first day” of the new creation, whose first fruits are the Lord’s risen humanity, the pledge of the final transfiguration of all created reality. It also proclaims “man’s eternal rest in God”. In this way, Christian spirituality incorporates the value of relaxation and festivity.*

“The Sunday movement is now making its way in darkness. The leaders are concealing the true issue, and many who unite in the movement do not themselves see whither the undercurrent is tending” (The Review and Herald Extra, December 11, 1888).

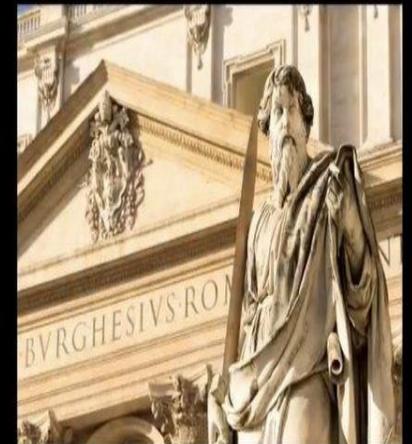

Q. Which is the Sabbath day.

A. **Saturday is the Sabbath day.**

Q. Why do we observe Sunday instead of Saturday?

A. We observe Sunday instead of Saturday because **the Catholic Church transferred the solemnity from Saturday to Sunday.**“

Peter Geiermann, *The Convert's Catechism of Catholic Doctrine* (Rockford, IL: Tan Books & Publishers, 1977), p. 50.

## Here is the “law” provision contained in *Laudato Si*:

**Section #179:** *Because the enforcement of laws is at times inadequate due to corruption, public pressure has to be exerted in order to bring about decisive political action. Society, through non-governmental organizations and intermediate groups, must put pressure on governments to develop more rigorous regulations, procedures and controls. Unless citizens control political power – national, regional and municipal – it will not be possible to control damage to the environment. Local legislation can be more effective, too, if agreements exist between neighbouring communities to support the same environmental policies.*

“I do hope that the trumpet will give a certain sound in regard to this Sunday-law movement. I think that it would be best if in our papers the subject of the perpetuity of the law of God were made a specialty.... We should now be doing our very best to defeat this Sunday law.” (Last Day Events, p. 128).

# Jesuit Theologian Predicts that 'Laudato Si' will become Law in 10 Years or Less

After a lengthy praise and assessment of Laudato Si, Dr. Charlie Camosy (Fordham University, NY) says that the Pope's document is the only answer to all our problems. He also revealed that he believes in about "10 years" or "perhaps even faster" Laudato Si will be embraced through legal enactment. He calls it "life changing legislation," and compares the Pope's encyclical to the "power" of changed "hearts" during the legalization of "same-sex marriage."

Dr. Charlie Camosy said that it only took 10 years (2004-2014) to change our "culture" with regards to gay marriage. He is hoping that our nation can also experience an ecological conversion in a similar time-frame. He believes this will happen when we commit ourselves to an "ecological education" in the "school, in families, in the media, in catechesis (churches) and elsewhere." Dr. Camosy concludes his article with the words, **"Let's get to work."**

# ***Pope Francis Boldly Promotes His One-World Religion: 2016 – Year of Mercy***

We shouldn't needlessly offend or despise other peoples' deeply held beliefs, but we also shouldn't distort the gospel of Christ in an attempt to please the carnal hearts of sinful man. And whenever we talk about love – the most loving thing we can ever do is tell others about Jesus's love for man.

Tragically, the most important criteria is being rejected by the modern ecumenical movement. Jesus is God incarnate. Jesus is truth. Jesus is love. Jesus is peace. And Jesus is not the same God of the Jew, the Muslim or the Buddhist. He is the Lamb of God who was slain for our sins – by which those who receive Christ through faith are reconciled once again into the favour of God. This is the truth that the church of the living God is to transmit to the whole world (Matthew 24:14).

# **Ring of Peace interfaith ceremony in Lindau, Germany on August 20-23, 2019**

Pagan idolatry is experiencing a resurgence in our day. New relationships are being forged between pagans, spiritualists, indigenous faiths, pantheists, Muslims, Buddhists, Hindus, Roman Catholics, Evangelicals and many others. These modern-day interfaith encounters are starting to resemble the idolatrous golden calf worship as in Exodus 32:1-4.

*“In many world religions, the ring symbolizes loyalty, truthfulness and honesty. The Buddhist Wheel of Life, the signet ring of the Prophet Mohammed in Islam, the Ring of Solomon in Judaism or Lessing’s Ring Parable, are only a few examples.”*

The “Ring of Peace” is a monument to every deity known to man – Jesus, Allah, Shiva, Buddha, Brahma, Ganesh, Mahavira, Vishnu, Durga and a thousand other gods.

# ***Greta Thunburg Brings the Pope's Climate Message to America***

Greta Thunburg is part of the “Laudato Si Generation” movement and she has brought her climate change message to America. In the video she is clearly pushing “Laudato Si” the Pope’s green Sunday law as the solution for the so-called climate change crisis. This message that she is taking to the whole world, and this mission Pope Francis is endorsing.

Greta’s visit to the US comes on the heels of a disastrous summer of wildfires, heat waves and devastating hurricanes. The Bahamas were just decimated by hurricane Dorian. Houston is right now experiencing massive flooding and rain. All events leading up to the 2019 United Nation’s Climate Action Summit scheduled for Monday, September 23, 2019.

The United Nations sent a flotilla of 17 sailboats, one for each of its sustainable development goals for 2030, to welcome her in New York on 28<sup>th</sup> August 2019. She returned from Hampton, Virginia to Lisbon (interesting), Portugal.

# **'Laudato Si' was Promoted During US-Vatican Summit on Religious Liberty: 2<sup>nd</sup> October 2019**

*"I also wish to emphasize that while responding to humanitarian emergencies, the Holy See believes that it is urgent to address the root causes of such crises, such as horrific wars, persecutions, human rights violations, political or social instability, extreme poverty, consequences of climate change, and so on. In this regard, it is important to remember the call of Pope Francis, in "Laudato si", for an integral ecology that underscores the link between the protection of the environment, the fight against poverty, social justice, economy and politics."* - Vatican Secretary for Relations with USA, Archbishop Paul Gallagher

Brother and sisters, **the handwriting is on the wall!** The Pope's encyclical **'Laudato Si' has a provision for Sunday rest.** Now we see the Vatican and the United States (Revelation 13) coming together to agitate 'Laudato Si' to the world. They are also calling on all the churches to join them in the international spotlight to work together to create "Pathways to Achieving Human Dignity." These "pathways" include the implementation of 'Laudato Si.'

# ***The Dangerous Journey Towards Spiritual Politics: 29<sup>th</sup> November 2019***

A call is being made to bring church and state into a close intimate relationship. In the video Pope Francis outlines his social engineering strategy, bringing everyone together and to establish a global era of peace and justice.

In reality, this will only precipitate the greatest crisis this world has ever known (Revelation 13:15). We are seeing a religious power dictating public policies to the nations. Pope is calling upon the world to adopt his views on social development in order to end global poverty, human rights abuse and the immigration crisis.

- POPE FRANCIS

INTERNATIONAL EVENT  
March 26-28, 2020  
Assisi, Italy

Now, as he marks the 7th anniversary of his pontificate, Pope Francis invited young economists and entrepreneurs from across the globe to come to Assisi to discuss a “different kind of economy,” one that is more “inclusive, humane and cares for the environment.” From March 26 to 28, several thousand young people from around 50 countries gathered in the Umbrian hill town to brainstorm and come up with a declaration designed “to change today’s economy and to give a soul to the economy of tomorrow.”

# Pope: Jubilee of the earth & Season of Creation

I am very pleased that the theme chosen by the ecumenical family for the celebration of the 2020 Season of Creation is *Jubilee for the Earth*, precisely in this year that marks the fiftieth anniversary of Earth Day. In the Holy Scriptures, a Jubilee is a sacred time to remember, return, rest, restore, and rejoice. – Pope Francis 1<sup>st</sup> September 2020

He who was our example kept aloof from earthly governments. Not because He was indifferent to the woes of men, but because the remedy did not lie in merely human and external measures. Pope to UN 25<sup>th</sup> September 2020 : Rethink the future of our common home

The COVID-19 pandemic is a trial, but also “a time to choose what matters and what passes away, a time to separate what is necessary from what is not”, Pope Francis told world leaders on Friday 25<sup>th</sup> September 2020, in his virtual address to the UN General Assembly. The pope expressed strong support for multilateralism, that is, the partnership between multiple countries pursuing a common goal.

# ***Pope: Sustainable development rooted in ethical values***

During his address, the Pope made particular mention of Indigenous Peoples saying that, “in a strongly secularized world, such peoples remind us all of the sacredness of our earth. Their voice and their concerns, he added, should be at the centre of the implementation of the 2030 Agenda and at the heart of the search for new paths for a sustainable future.

**Concluding his address and quoting his encyclical *Laudato Si***, he told those present that, “three and a half years since the adoption of the sustainable development goals, we must be even more acutely aware of the importance of accelerating and adapting our actions in responding adequately to both the cry of the earth and the cry of the poor.”

# SUSTAINABLE DEVELOPMENT GOALS

## The Sustainable Development Agenda - 17 Goals for People, for Planet

**SUSTAINABLE DEVELOPMENT GOALS**

At the core of the 2020-2030 decade is the need for action to tackle growing [poverty](#), empower [women and girls](#), and address the [climate emergency](#).

With just under ten years left to achieve the Sustainable Development Goals, [world leaders](#) at the SDG Summit in September 2019 called for a [Decade of Action](#) and delivery for sustainable development, and pledged to mobilize financing, enhance national implementation and strengthen institutions to achieve the Goals by the target date of 2030, **leaving no one behind.**

Everything we do during and after this crisis [COVID-19] must be with a strong focus on building more equal, inclusive and sustainable economies and societies that are more resilient in the face of pandemics, climate change, and the many other global challenges we face. **António Guterres** - *Secretary-General, UN.*

# DECADE OF ACTION

- Goal 1: End poverty in all its forms
- Goal 2: Zero Hunger
- Goal 3: Health
- Goal 4: Education
- Goal 5: Gender equality and women's empowerment
- Goal 6: Water and Sanitation
- Goal 7: Energy
- Goal 8: Economic Growth
- Goal 9: Infrastructure, industrialization
- Goal 10: Inequality
- Goal 11: Cities
- Goal 12: Sustainable consumption and production
- Goal 13: Climate Change
- Goal 14: Oceans
- Goal 15: Biodiversity, forests, desertification
- Goal 16: Peace, justice and strong institutions
- Goal 17: Partnerships

***The instruction is:  
Take Action for the  
Sustainable  
Development  
Goals***

Today, progress is being made in many places, but, overall, action to meet the Goals is not yet advancing at the speed or scale required. 2020 needs to usher in a decade of ambitious action to deliver the Goals by 2030.

## ***But why is the 2030 date so important to them? Pay close attention!***

Now when was Jesus crucified and when did He go back to heaven? -- AD. 31. So where does 2000 years take us to? -- **2031!** Any coincidence that the UN wants control of the world by 2030? **Pope is talking of the Jubilee of the 6000 years of earth!**

**Now we are NOT setting any dates here**, and neither should anyone say "***Oh I have 10 years to get ready, plenty of time!***", because as the apostle Paul said, God will "*finish the work, and cut it short in righteousness.*" (Romans 9:28). We are merely showing that the second coming is '***AT THE DOOR***' (Matthew 24:33), and why there is such a push by the UN to gain control by 2030.

Why do you think they are screaming about 'climate change' and saying '*we only have 10 years left to do something*'? They are looking to "save" this planet from its coming destruction at the hands of our Lord and Saviour Jesus Christ. And what will be their "solution"? **Rome's Sunday law!**

The Return 26<sup>th</sup> September 2020 - National Day of Prayer and Repentance

"The Return" took place 40 days before the presidential election, and on the 400th anniversary of the sailing of the Mayflower. As a time of biblical ten-day period beginning with the Feast of Trumpets and ending with the Day of Atonement, (September 18-28) known as the Days of Repentance.

***"The Return" is for all believers from all denominations and backgrounds.***

"I believe this is the moment," Cahn said. "If we don't do this now, we may pass the point of no return." Jonathan Cahn (Messianic Jewish pastor) is co-chair of the event and called it a "solemn assembly" based on 2 Chronicles 7:14.

"It happened on the National Mall in Washington, DC, on September 26th," Cahn said. "But it's also going to be around the world and around the country for those who can't make it, it's going to be streamed to their homes, their churches, they can have their own event. The point is, this is a crucial moment."

# ***Over 650+ Catholic Organizations World-wide are Working to Implement the Pope's Green Sunday Law***

The Catholic Climate Movement is using its vast network and membership to lobby political leaders by urging them to adopt Laudato Si. They are also busy training Catholic laypeople to become “Laudato Si Animators.” They receive special training to become “champions” for raising awareness to the Pope’s message on climate change.

“To stand in defense of truth and righteousness when the majority forsakes us, to fight the battles of the Lord when champions are few—this will be our test. At this time we must gather warmth from the coldness of others, courage from their cowardice, and loyalty from their treason. The nation will be on the side of the great rebel leader. The test will surely come ... the observance of an institution of the papacy would be enforced upon the people by a Sunday law, while the sanctified rest day of Jehovah would be trampled underfoot” (Testimonies, Vol. 5, pp.136, 137).

<https://laudatosigeneration.org/>

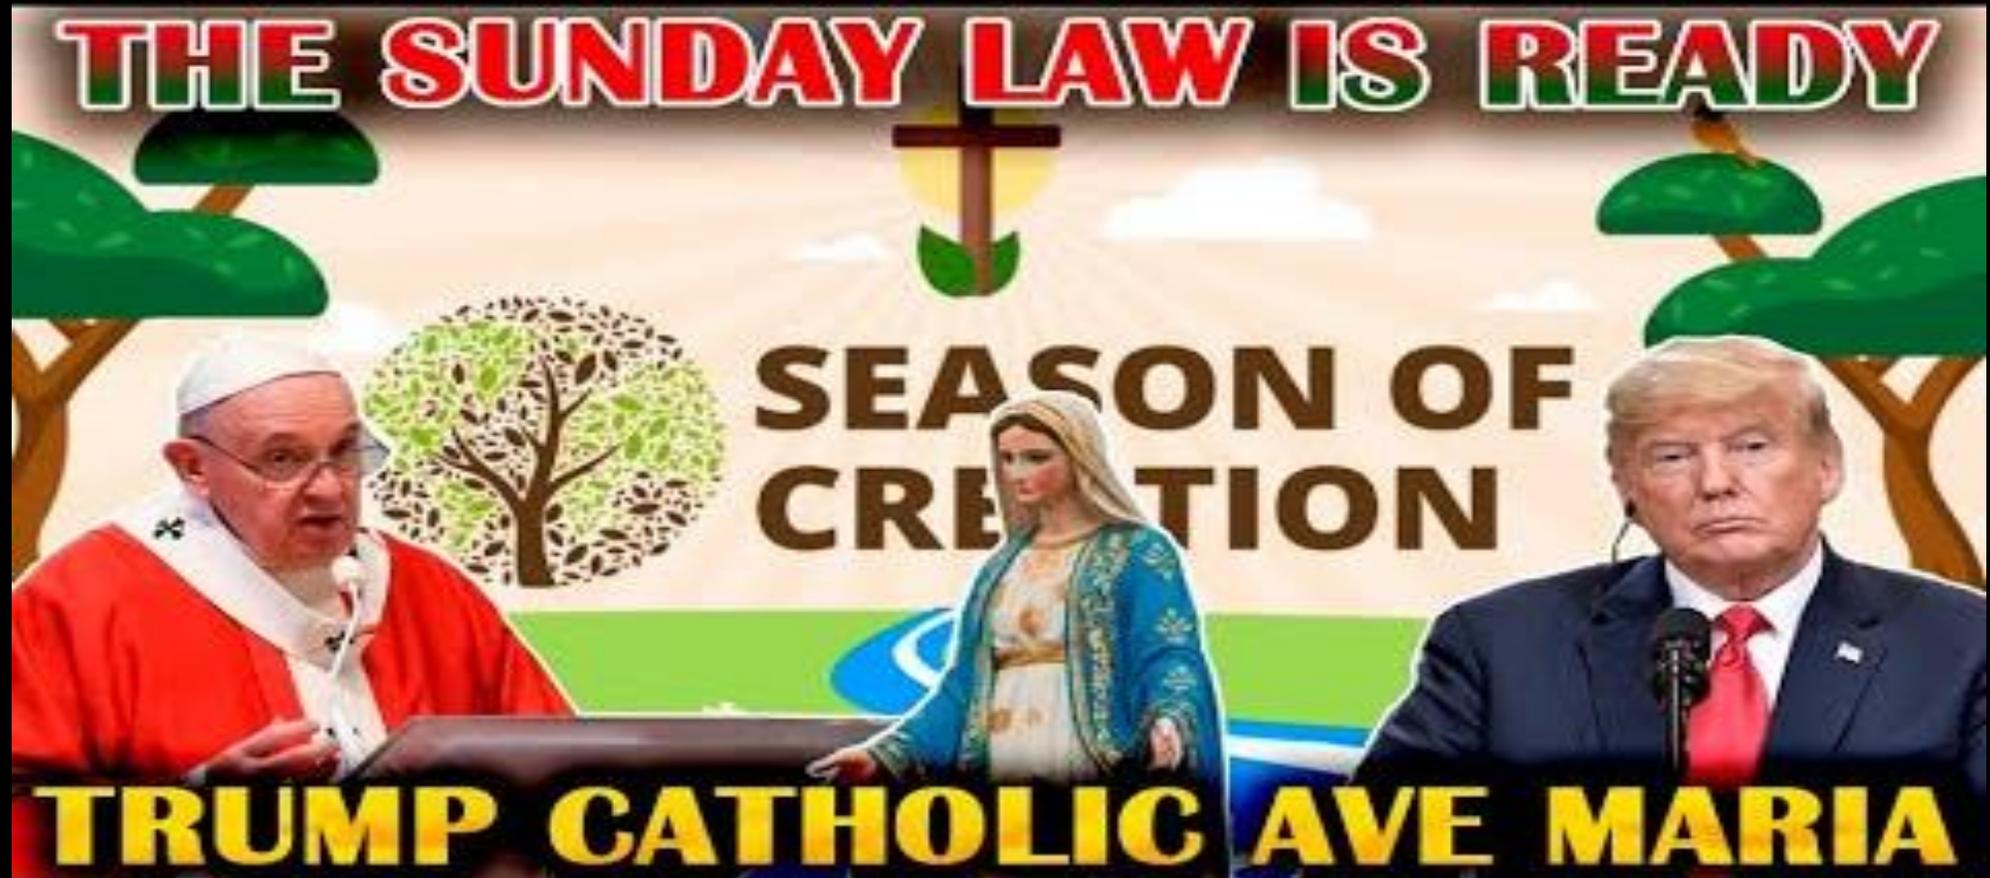

## ***Notice how the Sunday Law measure will be introduced to the world:***

***“By false representations and angry appeals*** they will stir up the passions of the people ... they will resort to oppressive enactments ... To secure popularity and patronage, legislators will yield to the demand for a Sunday law” (Testimonies, Vol. 5, p. 451).

“The Sunday movement is now ***making its way in darkness***. The leaders are concealing the true issue, and many who unite in the movement do not themselves see whither the under-current is tending. Its professions are mild, and apparently Christian, but when it shall speak, it will reveal the spirit of the dragon.” (The Review and Herald Extra, December 11, 1888).

*"The agencies of evil are combining their forces and consolidating. They are strengthening for the last great crisis. Great changes are soon to take place in our world, and **the final movements will be rapid ones**. The condition of things in the world shows that troublous times are right upon us."* (Testimonies for the Church, Vol.9, p.11)

The Vatican released the much-anticipated encyclical by Pope Francis, *Fratelli Tutti* on 4 October, the feast of Saint Francis of Assisi.

# Fratelli Tutti - 2020

ENCYCLICAL LETTER **FRATELLI TUTTI** OF  
THE HOLY FATHER **FRANCIS**  
ON FRATERNITY AND SOCIAL FRIENDSHIP

**Introduction - WITHOUT BORDERS**

**CHAPTER ONE: DARK CLOUDS OVER A CLOSED WORLD**

SHATTERED DREAMS

*The end of historical consciousness*

LACKING A PLAN FOR EVERYONE

*A "throwaway" world*

*Insufficiently universal human rights*

*Conflict and fear*

GLOBALIZATION AND PROGRESS WITHOUT A SHARED ROADMAP

PANDEMICS AND OTHER CALAMITIES IN HISTORY

AN ABSENCE OF HUMAN DIGNITY ON THE BORDERS

THE ILLUSION OF COMMUNICATION

*Shameless aggression*

*Information without wisdom*

FORMS OF SUBJECTION AND OF SELF-CONTEMPT

HOPE

**DARK CLOUDS OVER A CLOSED WORLD**

Pope Francis observes trends in our world that hinder the development of universal fraternity.

**"Globalized society makes us neighbors, but it does not make us brothers and sisters."**

**IN WHAT WAYS DO WE OBSERVE THE DARK CLOUDS OVER A CLOSED WORLD?**

- ▶ The despair and discouragement that are widespread in society
- ▶ The polarization that impedes dialogue and living together
- ▶ The persons who are considered easily "sacrificed" and discarded.
- ▶ The inequality of rights and the new forms of slavery.
- ▶ The moral deterioration and the weakening of spiritual values

TODAY WE WITNESS THE MANIPULATION OF GREAT WORDS, SUCH AS:

**LIBERTY JUSTICE  
DEMOCRACY UNITY**

IN THE FACE OF THESE CHALLENGES, *FRATELLI TUTTI* INSISTS THAT  
**"The road we must travel is that of closeness; it is the culture of encounter"**

God continues to sow abundant seeds of goodness.

Goodness, together with love, justice and solidarity, has to be realized each and every day.

Hope looks beyond any personal convenience that limits our horizon, and opens us up to grand id

# Fratelli Tutti - 2020

## CHAPTER TWO: A STRANGER ON THE ROAD

*The context*

The call to fraternal love echoes throughout the New Testament:

*Abandoned on the wayside*

*A story constantly retold*

*The characters of the story*

*Starting anew*

*Neighbours without borders*

*The plea of the stranger*

**A STRANGER ON THE ROAD** 

**WHO ARE THE OTHER CHARACTERS IN THE PARABLE OF THE GOOD SAMARITAN?**

- ▶ THE ASSAILANTS
- ▶ THOSE WHO PASS BY ON THE OTHER SIDE
- ▶ THE WOUNDED AND ABANDONED VICTIM

In the face of this situation, *Fratelli tutti* asks us:

Which of these persons do you identify with?  
Who is your neighbor?

"Jesus asks us not to decide who is close enough to be our neighbor, but rather that we ourselves become neighbors to all".

**TODAY THE STORY OF THE GOOD SAMARITAN IS BEING REPEATED:**

- 1 Appeals are made to determinism or fatalism to justify our own indifference.
- 2 Society tends to ignore others, especially the weak.
- 3 The world allows and encourages social exclusion.
- 4 We are witnessing social and political apathy.

**Fratelli Tutti summons us to be actively involved in rehabilitating our wounded societies.**

Love does not care if a brother or sister in need comes from one place or another:

**FOR LOVE SHATTERS THE CHAINS THAT KEEP US ISOLATED AND SEPARATE; IN THEIR PLACE, IT BUILDS BRIDGES.**

**WILL YOU PASS BY ON THE OTHER SIDE, OR WILL YOU STOP TO HELP THOSE WOUNDED ON THE ROADSIDE?**

In the face of so much pain and suffering, our only course is to imitate the Good Samaritan.

# Fratelli Tutti - 2020

## **CHAPTER THREE: ENVISAGING AND ENGENDERING AN OPEN WORLD**

MOVING BEYOND OURSELVES

*The unique value of love*

A LOVE EVER MORE OPEN

*Open societies that integrate everyone*

*Inadequate understandings of universal love*

BEYOND A WORLD OF “ASSOCIATES”

*Liberty, equality and fraternity*

A UNIVERSAL LOVE THAT PROMOTES PERSONS

PROMOTING THE MORAL GOOD

*The value of solidarity*

RE-ENVISAGING THE SOCIAL ROLE OF PROPERTY

*Rights without borders*

*The rights of peoples*

## ENVISAGING AND ENGENDERING AN OPEN WORLD

Jesus told us: “You are all brothers and sisters” (Mt 23:8)

**The call to universal  
fraternity requires  
openness:**

- ▶ Human beings find their fulfilment in the sincere gift of self to others.
- ▶ Love calls for a greater ability to accept others and to reach out to the margins.
- ▶ A love capable of transcending borders is the basis of “social friendship.”

**PROMOTING THE GOOD MEANS PROMOTING VALUES THAT ADVANCE  
INTEGRAL HUMAN DEVELOPMENT.**

How can  
that be  
achieved?

- ✓ By thinking and acting in terms of community.
- ✓ By combatting the structural causes of poverty and inequality.
- ✓ By requiring the state to be present and active and to invest in assistance to the vulnerable.
- ✓ By insuring that no one is excluded.
- ✓ By establishing a real and lasting peace based on a global ethic of solidarity and service.

[ *Every person is valuable and has the  
right to live with dignity.* ]

# Fratelli Tutti - 2020

## CHAPTER FOUR: **A HEART OPEN TO THE WHOLE WORLD**

BORDERS AND THEIR LIMITS  
RECIPROCAL GIFTS

*A fruitful exchange*

*A gratuitousness open to others*

LOCAL AND UNIVERSAL

*Local flavour*

*A universal horizon*

*Starting with our own region*

## A HEART OPEN TO THE WHOLE WORLD

### WHAT ACTIONS WORK IN FAVOR OF UNIVERSAL FRATERNITY?

1

Welcoming, protecting, promoting and integrating migrants and all those on the margins.

2

Becoming more aware that nowadays either we are all saved together or no one is saved.

3

Forging a global juridical, political, and economic order that favors the development of all peoples in solidarity.

### What is gratuitousness?

- ▶ Doing some things simply because they are good in themselves.
- ▶ Acting without concern for personal gain or recompense.
- ▶ Welcoming strangers, even though this brings us no immediate tangible benefit.

“The true worth of the different countries of our world is measured by their ability to think as part of the larger human family. God always gives freely.”

### Every healthy culture is open and welcoming by its very nature:

Opening our minds and hearts helps us to understand those who are different.

In the universal communion each human group discovers its own beauty.

Human beings are limited beings who are nevertheless limitless.

Is it possible for us to be open to our neighbors within a family of nations?

# Fratelli Tutti - 2020

## CHAPTER FIVE: A BETTER KIND OF POLITICS

FORMS OF POPULISM AND LIBERALISM

*Popular vs. populist*

*The benefits and limits of liberal approaches*

INTERNATIONAL POWER

SOCIAL AND POLITICAL CHARITY

*The politics we need*

*Political love*

*Effective love*

THE EXERCISE OF POLITICAL LOVE

*Sacrifices born of love*

*A love that integrates and unites*

FRUITFULNESS OVER RESULTS

## A BETTER KIND OF POLITICS

*"Charity, according to the teaching of Jesus, is the synthesis of the entire Law" (cf. Mt 22,36-40)*

### What is a better kind of politics?

- ▶ One that truly promotes the common good.
- ▶ One that does not seek merely to gain votes.
- ▶ One that serves as a channel for personal growth.
- ▶ One that promotes an economy that favors productive diversity and business creativity.
- ▶ One that is far-sighted and capable of a new, integral, and interdisciplinary dialogue.

**FRATELLI TUTTI CALLS FOR A SOCIAL AND POLITICAL ORDER WHOSE SOUL IS SOCIAL CHARITY:**

- ✓ Making it possible to advance towards a civilization of love, to which all of us feel called.
- ✓ Recognizing all human beings as brothers and sisters, with no one excluded.
- ✓ Charity needs the light of truth, the light of reason, and the light of faith.

**Social charity makes us love the common good; it makes us effectively seek the good of all people, in the social dimension that unites them.**

**In political activity, every person is sacred and deserves our affection and our respect:**

**"If I can help at least one person to have a better life, that already justifies the offering of my life".**

# Fratelli Tutti - 2020

## **CHAPTER SIX: DIALOGUE AND FRIENDSHIP IN SOCIETY**

SOCIAL DIALOGUE FOR A NEW CULTURE

*Building together*

The BASIS of Consensus

*Consensus and truth*

A NEW CULTURE

*Encounter that becomes culture*

*The joy of acknowledging others*

RECOVERING KINDNESS

### DIALOGUE AND FRIENDSHIP IN SOCIETY

What does  
it mean to  
“dialogue”?

- ▶ APPROACHING
- ▶ SPEAKING
- ▶ LISTENING
- ▶ LOOKING AT
- ▶ COMING TO KNOW AND UNDERSTAND ONE ANOTHER
- ▶ FINDING COMMON GROUND

#### ACCORDING TO THE CULTURE OF ENCOUNTER:

Each of us can learn something from others, no one is useless, and no one is expendable.

#### A PLURALIST SOCIETY THAT ENCOURAGES DIALOGUE:

- 1 Respects the dignity of others in all circumstances.
- 2 Integrates differences, thus guaranteeing a genuine and lasting peace.
- 3 Recognizes other people’s right to be themselves, maintaining an atmosphere of friendliness.

#### What attitudes or actions do not help toward dialogue?

- ▶ Any aggression we may manifest, for example, on social networks.
- ▶ Monologues that do not listen to others.
- ▶ The quick and humiliating discrediting of others.

*“Authentic social dialogue involves the ability to respect the point of view of others.”*

# Fratelli Tutti - 2020

## CHAPTER SEVEN: **PATHS OF RENEWED ENCOUNTER**

STARTING ANEW FROM THE TRUTH

THE ART AND ARCHITECTURE OF PEACE

*Beginning with the least*

THE VALUE AND MEANING OF FORGIVENESS

*Inevitable conflict*

*Legitimate conflict and forgiveness*

*The best way to move on*

MEMORY

*Forgiving but not forgetting*

WAR AND THE DEATH PENALTY

*The injustice of war*

*The death penalty*

## PATHS OF RENEWED ENCOUNTER

ON THE PATH TOWARD PEACE, THE PROCESSES OF RENEWED ENCOUNTER ARE VERY NECESSARY:

✓  
In true  
reconciliation.

✓  
In common  
projects that do  
not deny each  
person's  
individuality.

✓  
In recognizing,  
protecting, and  
restoring the dignity  
of all persons.

✓  
In the option for the  
poor, the  
dispossessed, and  
the discarded.

✓  
In understanding  
and appreciating  
the meaning of  
forgiveness.

**Jesus never promoted violence or intolerance.**

**The Gospel tells us to forgive "seventy times seven times" (Mt 18,22)**

### TRUE FORGIVENESS AND TRUE RECONCILIATION:

- ▶ Are achieved in conflict and are resolved through dialogue.
- ▶ Abstain from enmities and mutual hatred.
- ▶ Facilitate an honest discussion of differences, founded on a desire for justice.
- ▶ Do not mean forgetting or impunity.
- ▶ Do not fall into the vicious circle of vengeance.

*"I ask God to prepare our hearts to encounter our brothers and sisters, so that we may overcome our differences rooted in political thinking, language, culture and religion."*

POPE FRANCIS

## CHAPTER EIGHT: RELIGIONS AT THE SERVICE OF FRATERNITY IN OUR WORLD

THE ULTIMATE FOUNDATION

*Christian identity*

RELIGION AND VIOLENCE

*An appeal*

*A Prayer to the Creator*

*An Ecumenical Christian Prayer*

Given in Assisi, at the tomb of Saint Francis, on 3 October, Vigil of the Feast of the Saint, in the year 2020, the eighth of my Pontificate.

**RELIGIONS AT THE SERVICE OF FRATERNITY IN OUR WORLD**

**ONLY WITH THE AWARENESS THAT WE ARE ALL CHILDREN OF GOD CAN WE LIVE IN PEACE WITH ONE ANOTHER:**

The different religions contribute significantly to building fraternity.

Seeking God helps us recognize one another as travelling companions, truly brothers and sisters.

The denial of religious freedom and freedom of conscience leaves humanity impoverished.

**THE CHURCH IS A HOME WITH OPEN DOORS, BECAUSE SHE IS A MOTHER:**

1 She builds bridges

2 She breaks down walls

3 She sows seeds of reconciliation

**A JOURNEY OF PEACE IS POSSIBLE AMONG RELIGIONS:**

- ▶ The point of departure must be God's way of seeing things, for God sees with his heart.
- ▶ Violence has no basis in our fundamental religious convictions.
- ▶ Sincere and humble worship of God bears fruit in respect for life, dignity, and freedom.

**AN ECUMENICAL CHRISTIAN PRAYER**

O God, Trinity of love, from the profound communion of your divine life, pour out upon us a torrent of fraternal love. Grant us the love reflected in the actions of Jesus, in his family of Nazareth, and in the early Christian community.

Grant that we Christians may live the Gospel, discovering Christ in each human being, recognizing him crucified in the sufferings of the abandoned and forgotten of our world, and risen in each brother or sister who makes a new start.

Come, Holy Spirit, show us your beauty, reflected in all the peoples of the earth, so that we may discover anew that all are important and all are necessary, different faces of the one humanity that God so loves. Amen.

*Religious leaders are called to be true "people of dialogue": to cooperate in building peace as authentic mediators.*

# ENCYCLICAL LETTER **FRATELLI TUTTI** OF POPE FRANCIS ON FRATERNITY AND SOCIAL FRIENDSHIP

# ***Pope: Market capitalism has failed in pandemic, needs reform***

ROME — Pope Francis says the [coronavirus](#) pandemic has proven that the “magic theories” of [market](#) capitalism have failed and that the world needs a new type of politics that promotes dialogue and solidarity and rejects war at all costs.

Francis laid out his vision for a post-COVID world by uniting the core elements of his social teachings into a new encyclical aimed at inspiring a revived sense of the human family. “Fratelli Tutti” (Brothers All) was released on the feast day of his namesake, the peace-loving St. Francis of Assisi.

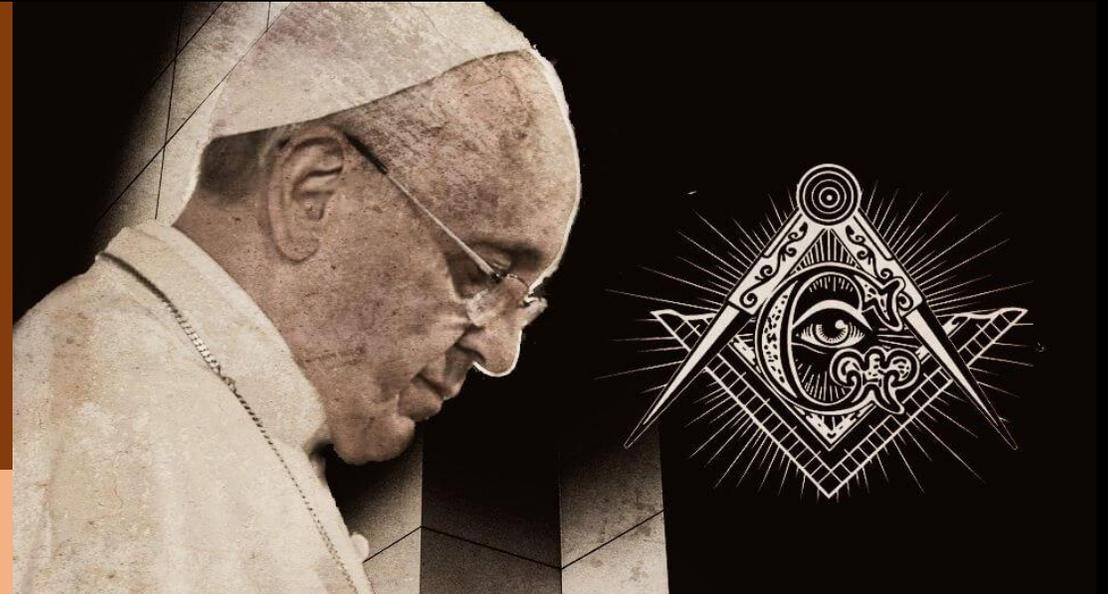

Pope Francis has ruffled some feathers with his newly released social encyclical, [Fratelli tutti](#), in which he is very tough on the "neo-liberal" system, "populism" and the "individualistic" excesses of globalization.

## ***The Masonic Order Praises Pope Francis' Encyclical on Universal Brotherhood and Calls it the 'Great Principle of Freemasonry'***

Freemasonry is saying publicly that they are in favour of the latest papal encyclical. What does this tell you? It tells us that Pope Francis is promoting Masonic teachings. The Pope's ecumenical teachings on brotherhood are based on Masonic principles, and it should come as no surprise that Freemasons are in love with it.

The plan is to delegitimize the Christian faith and show that God's revealed truth found in the Bible is not necessary. The Pope speaks of a common destiny and of the need for us to be equal in our diversity. This does not lead us to a fellowship (fraternity) with Christ, but to the kingdom of the Antichrist.

*“And they worshipped the dragon (Satan) which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him?” Revelation 13:4*

# The admonition to stay away and not participate!

The ecumenism of St. Francis of Assisi was the inspiration for Pope Francis' encyclical on the universal brotherhood (Fratelli Tutti). All of this is part of the Masonic plan to establish a great temple of universal brotherhood that goes beyond doctrine, beliefs and sacred writings. This is the "unity in diversity" promoted by the Luciferian, Masonic New World Order.

**“Cut yourself loose from the Free Mason lodge, and all that relates to the society. It was not safe for you to have any part with this secret order. Those who stand under the blood-stained banner of Prince Emmanuel cannot be united with the Free Masons or with any secret organization. The seal of the living God will not be placed upon any one who maintains such a connection after the light of truth has shone upon his pathway.”**  
(EGW Letter 21, 1893).

# Summary of FT: A Universal Brotherhood

**Paragraph #95:** “Love also impels us towards **universal communion**. No one can mature or find fulfilment by withdrawing from others. By its very nature, love calls for growth in openness and the ability to accept others as part of a continuing adventure that makes every periphery converge in a greater sense of mutual belonging. As Jesus told us: “You are all brothers” (Matthew 23:8).

[https://www.youtube.com/watch?v=IYIM0k9JoIM&feature=emb\\_logo](https://www.youtube.com/watch?v=IYIM0k9JoIM&feature=emb_logo)

Yes, we are all brothers and sisters and equal in the eyes of God, but sin has alienated us from Him (Isaiah 59:2). The mission of the church is to reconcile the “prodigal” sons and daughters and bring them to repentance so that they can be reconciled to God. Only after embracing the Gospel of Christ are we “adopted” back into the heavenly family. It is then that we can call Him, “Abba Father”. (Romans 8:15).

## Summary: Fratelli Tutti Condones Pantheism

Paragraph #48: “Saint Francis “heard the voice of God, he heard the voice of the poor, he heard the voice of the infirm and he **heard the voice of nature**. He made of them a way of life. My desire is that the seed that Saint Francis planted may grow in the hearts of many”.

Paragraph #34: “**If everything is connected**, it is hard to imagine that this global disaster is unrelated to our way of approaching reality ... the harm we do to nature is itself the punishment for our offences. The world is itself crying out in rebellion.”

# What does the Word of God teach us

The idea that “everything is connected” comes from the same pantheistic teaching of the “circle of life.” It teaches that nature is sacred and divine just like God. Nature gives life and takes life. The title of the encyclical, “Fratelli Tutti” (All Brothers), is the sum of the Pope’s pontificate.

Yes, we are all brothers and sisters and equal in the eyes of God, but sin has alienated us from Him (Isaiah 59:2). Only after embracing the Gospel of Christ are we “adopted” back into the heavenly family. It is then that we can call Him, “Abba Father”. (Romans 8:15).

# ABBA

“Father”

And he said, Abba, Father, all things *are* possible unto thee; take away this cup from me: nevertheless not what I will, but what thou wilt. Mark 14:36

# A Common Father?

Paragraph #272: “As believers, we are convinced that, **without an openness to the Father of all, there will be no solid and stable reasons for an appeal to fraternity.** We are certain that “only with this awareness that we are not orphans, but children, can we live in peace with one another”. For “reason, by itself, is capable of grasping the equality between men and of giving stability to their civic coexistence, but it cannot establish fraternity”.

THE SON  
OF GOD  
BECAME  
A MAN  
TO ENABLE MEN  
TO BECOME BETTER  
SONS OF GOD

# ***What must one understand and follow?***

**A common father?**

**Is God the author of nature worship?**

**Is He the God of paganism?**

**Is He the Author of confusion?**

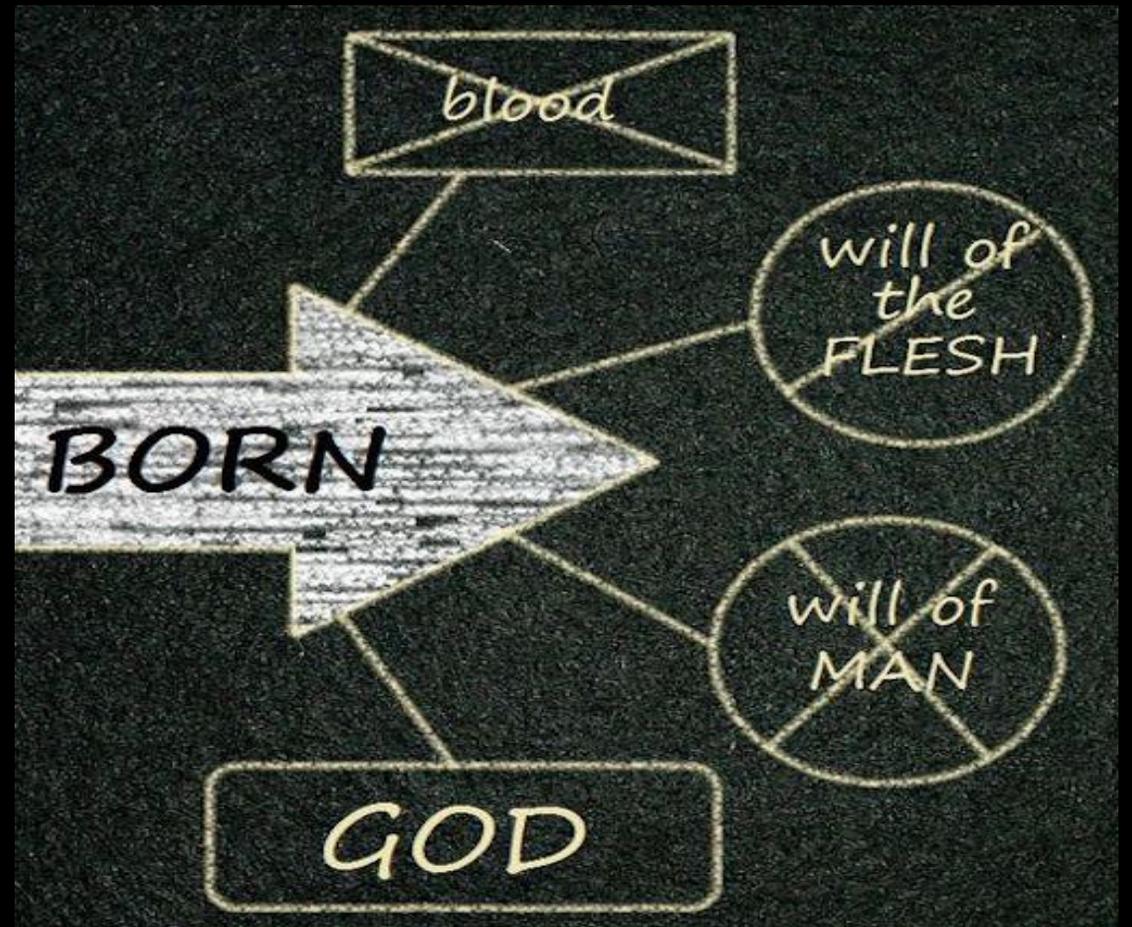

**Did He have a part in creating the different contradictory belief systems?**

The Pope's encyclical is subverting the Christian faith. Presuming that all religions share a common Father is not only false, it opens the door for Satan to enter the church. The religion of Satan must also be embraced in the Universal Brotherhood of Fratelli Tutti.

## ***What does the Word of God teach us***

The Bible clearly says that we are not all brothers because not all of us have received Christ. Only those who believe in the name of Christ are the children of God. So it seems that this “universal brotherhood” of Muslims, Hindus, Buddhists, Roman Catholics, Protestants and even pantheistic indigenous religions is a non-biblical concept. It contradicts the holy word of God. (*John 1:11-13.*)

# One-world Ecumenical Church

Paragraph #254: “I ask God to prepare our hearts to encounter our brothers and sisters, **so that we may overcome our differences rooted in political thinking, language, culture and religion.** Let us ask him to anoint our whole being with the balm of his mercy, which heals the injuries caused by mistakes, misunderstandings and disputes. And let us ask him for the grace to send us forth, in humility and meekness, seeking peace.”

# ***What must one understand and follow?***

According to the Pope's encyclical, all religions are worthy of praise, including the faith of atheism. Since we will all be together in heaven, let's unite here. The plan is to "overcome our differences" in "religion." Why? Because God works in all belief systems. According to Pope Francis, there is something sacred in every religion.

To have this opinion and to promote it is to basically abandon the true Christian faith. The Pope's encyclical basically elevates Krishna, Buddha, Muhammad, Gaia (Greek goddess - Mother Earth) and witch doctors to the same level of Jesus. The everlasting gospel of Christ must be proclaimed in its totality and integrity, unmixed with human error. We cannot remain silent while the fundamental truths of the Bible are rejected. See *John 14:6, 3:18, 10:1, 7-9.*

**Educational alliance needed to overcome inequality, division, pope says – Sounds great???**

# **MESSAGE OF POPE FRANCIS FOR THE LAUNCH OF THE GLOBAL COMPACT ON EDUCATION**

“Never before has there been such need to unite our efforts in a broad educational alliance, to form mature individuals capable of overcoming division and antagonism, and to restore the fabric of relationships for the sake of a more fraternal humanity,” the pope had said in his appeal.

The poverty and confusion wrought by the pandemic have created a situation that requires a radical decision and opens a path for “a global pact on education for and with future generations,” the pope said.

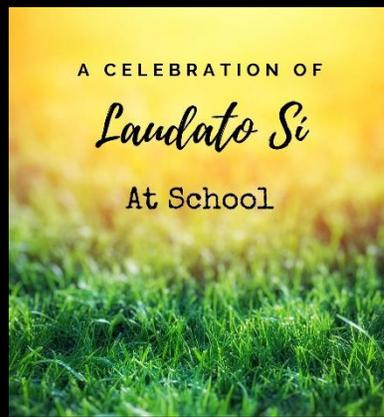

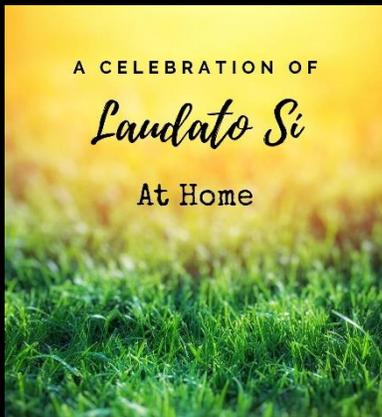

**“The ability to create harmony: that is what is needed today,”  
Pope Francis said.**

## ***‘Jerusalem is our city,’ Turkey’s President declares***

“In this city that we had to leave in tears during the First World War, it is still possible to come across traces of the Ottoman resistance. So Jerusalem is our city, a city from us,” he told Turkish lawmakers during a major policy speech in Ankara. “Our first qibla [direction of prayer in Islam] al-Aqsa and the Dome of the Rock in Jerusalem are the symbolic mosques of our faith. In addition, this city is home to the holy places of Christianity and Judaism.”

**The Ottoman Empire** ruled over Jerusalem from 1516 to 1917. Modern Turkey, its successor state, has long stressed its enduring connection to the holy city, regularly condemning Israel’s alleged efforts to “judaize” it and the US administration’s December 2017 recognition of it as Israel’s capital.

# ***Sunday Law is knocking at the door!***

Lawmakers claim that Sunday rest is a “secular” solution to help working families spend more time together; but it is important to realize that Sunday laws have historically always served a theological prerogative, not a social one. To Rome, Sunday closing laws are a matter of obeying the church’s commandment. And instead of allowing people to follow their own conscience as to what day is the Biblical Sabbath – Saturday or Sunday – the civil government is basically doing Rome’s bidding by making this decision for us without our consent.

“There are many, even of those engaged in this movement for Sunday enforcement, who are blinded to the results which follow this action” (Testimonies, Vol. 5 p. 711).

# ***Sunday Law is knocking at the door!***

This Sunday movement will only continue to grow as more and more nations adopt these radical Sunday measures. The Biblical predictions found in Revelation 13 and 17 are coming alive before our very eyes. Rome is busy fulfilling her role by compelling all classes to observe her institutions. And what are the secular governments doing? They are lining up behind her. Let also the commandment-keeping people rise up to the challenge and accomplish their divinely appointed duty:

“The people of our land need to be aroused to resist the advances of this most dangerous foe to civil and religious liberty.” (Spirit of Prophecy, Vol. 4, p. 382).

“It is our duty to do all in our power to avert the threatened danger” (Testimonies, Vol. 5, p. 452).

**Should all stores close  
on Sunday to allow staff  
a day off to recuperate?**

# 1. ***This Sunday law will take place by a national act***

“Our land is in jeopardy. The time is drawing on when its legislators shall so abjure the principles of Protestantism as to give countenance to Romish apostasy. The people for whom God has so marvellously wrought, strengthening them to throw off the galling yoke of popery, will by a national act give vigor to the corrupt faith of Rome, and thus arouse the tyranny which only waits for a touch to start again into cruelty and despotism.” *Spirit of Prophecy*, vol. 4, 410. ***What dramatic words!***

## ***2. The enforcement of this Sunday law will be mandatory, as a law of the nation.***

“A more decided effort will be made to exalt the false sabbath, and to cast contempt upon God Himself by supplanting the day He had blessed and sanctified. This false Sabbath is to be enforced by an oppressive law.” *Seventh-day Adventist Bible Commentary*, vol. 7, 985.

### 3. *The clergy will endeavour to make the Sunday law a religious amendment to the Constitution.*

“If the people can be led to favour a Sunday law, then the clergy intend to exert their united influence to obtain a religious amendment to the Constitution, and compel the nation to keep Sunday.” *Review and Herald*, December 24, 1889.

This is the result of the current ecumenical movement, which the church leaders are encouraging the members to accept and follow.

## **Let us consider the hidden objectives of this national Sunday law:**

- 1.** It will destroy religious freedom in America – What a tragedy!  
It will be time to dismantle the Statue of Liberty.

“The law of God, through the agency of Satan, is to be made void. In our land of boasted freedom, religious liberty will come to an end.” *Evangelism*, 236.

- 2.** This Sunday law will make it possible for papal Rome to force the conscience of all humanity, as in the dark ages.

“Protestants will throw their whole influence and strength on the side of the Papacy; by a national act enforcing the false sabbath they will give life and vigor to the corrupt faith of Rome, reviving her tyranny and oppression of conscience.” *Maranatha*, 179.

- 3.** This law will crush the spirit of freedom in the world forever.

“A great crisis awaits the people of God. Very soon our nation will attempt to enforce upon all the observance of the first day of the week as a sacred day.” *Last Day Events*, 144.

**Conclusion:** That means business will stop. Religious liberty will end. Sabbath keepers will suddenly find themselves opposed, hated, and thrust into a battle for their very life. **“Soon, the Sunday laws will be enforced, and men in position of trust will be embittered against the little handful of God’s commandment keeping people.”** LDE, 129. **“Seventh-day Adventists will fight the battle over the seventh-day Sabbath.”** LDE, 144. **Every one will fight a battle for his very life.**

# 10 Disasters That Changed the World

Looking back at a decade in which super storms, wildfires, disease outbreaks, and monster earthquakes have taken unimaginable tolls all over the planet, it's easy to be overwhelmed by the scope of the problem.

2. TŌHOKU EARTHQUAKE AND TSUNAMI, FUKUSHIMA DAIICHI NUCLEAR DISASTER, JAPAN (2011)

8. HURRICANE MARIA (2017)
9. CYCLONE IDAI (2019)
10. GLOBAL WILDFIRES (2019)

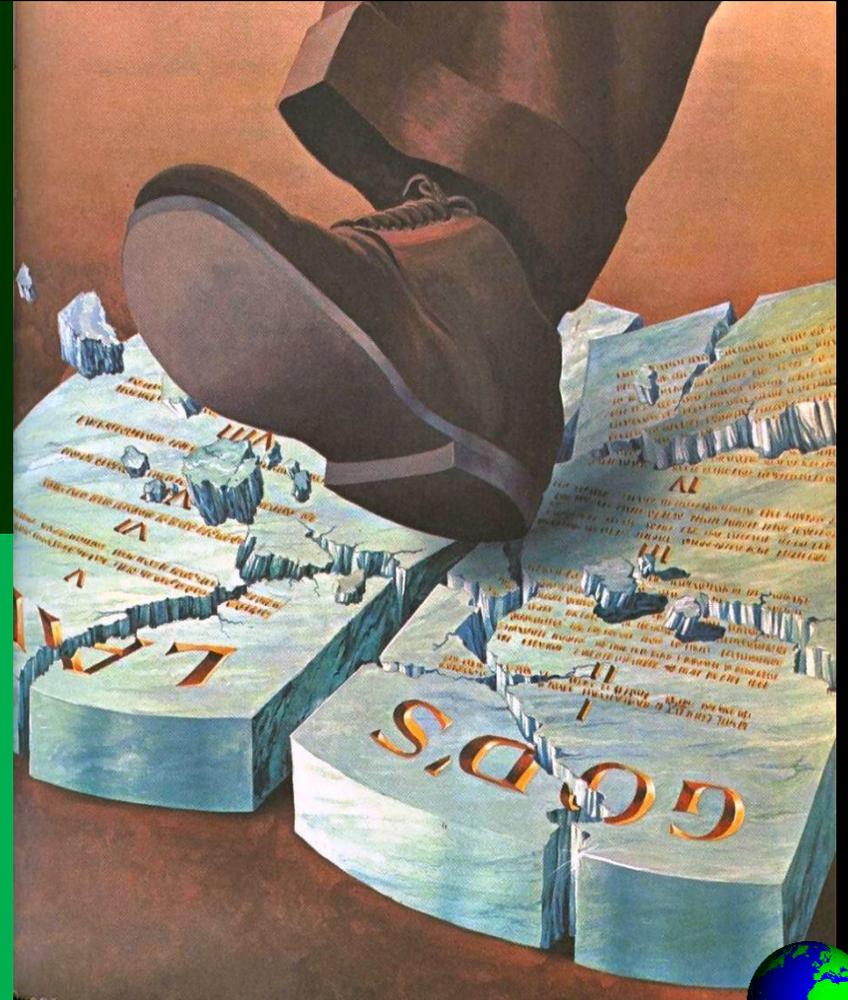

# Notice how the proponents of Sunday will link these climate calamities with the “Sunday-Sabbath.”

“In accidents and calamities by sea and by land, in great conflagrations, in fierce tornadoes and terrific hail-storms, in tempests, floods, cyclones, tidal waves, and earthquakes, in every place and in a thousand forms, Satan is exercising his power. He sweeps away the ripening harvest, and famine and distress follow. He imparts to the air a deadly taint, and thousands perish by the pestilence. These visitations are to become more and more frequent and disastrous” (Great Controversy, p. 590).

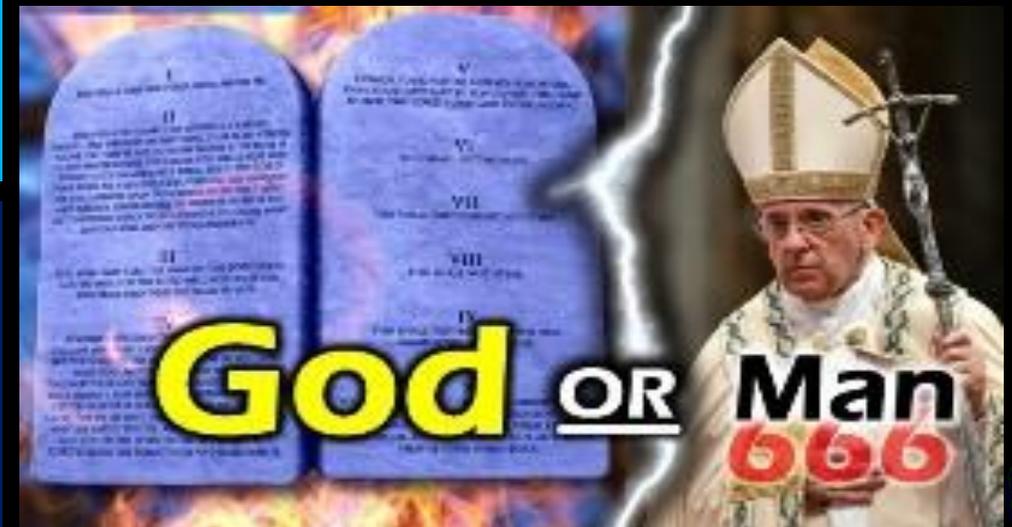

**“It will be declared that men are offending God by the violation of the Sunday-sabbath, that this sin has brought calamities which will not cease until Sunday observance shall be strictly enforced, and that those who present the claims of the fourth commandment, thus destroying reverence for Sunday, are troublers of the people, preventing their restoration to divine favour and temporal prosperity”** (Great Controversy, p. 590).

# ***Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: Eccl. 12:13***

The final prophecies of Daniel and Revelation are fast fulfilling, signalling the soon coming close of human probation and the return of Jesus Christ. Two particular prophecies are Daniel 11:45 concerning the king of the north and Revelation 13:16 concerning the mark of the beast. Both of these prophecies are a signal of the imminent return of Christ.
