End-time Preparation: Mental Preparation

Introduction

Hurt not the earth, neither the sea, nor the trees, till we have sealed the servants of our God in their foreheads.

Revelation 7:3.

Angels are belting the world, refusing Satan his claims to supremacy, made because of the vast multitude of his adherents. We hear not the voices, we see not with the natural sight the work of these angels, but their hands are linked about the world, and with sleepless vigilance they are keeping the armies of Satan at bay till the sealing of God's people shall be accomplished. -SDA Bible Commentary 7:967.

Introduction (cont'd)

John sees the elements of nature earthquake, tempest, and political strife—represented as being held by four angels. These winds are under control until God gives the word to let them go. There is the safety of God's church. The angels of God do His bidding, holding back the winds of the earth, that the winds should not blow on the earth, nor on the sea, nor on any tree, until the servants of God should be sealed in their foreheads. - Testimonies to Ministers and Gospel Workers, 444.

Setting the Stage

The present is a time of overwhelming interest to all living. Rulers and statesmen, men who occupy positions of trust and authority, thinking men and women of all classes, have their attention fixed upon the events taking place about us. They are watching the strained, restless relations that exist among the nations. They observe the intensity that is taking possession of every earthly element, and they realize that something great and decisive is about to take place—that the world is on the verge of a stupendous crisis.

Setting the Stage (cont'd)

Angels are now restraining the winds of strife, until the world shall be warned of its coming doom; but a storm is gathering, ready to burst upon the earth, and when God shall bid His angels loose the winds, there will be such a scene of strife as no pen can picture....

A moment of respite has been graciously given us of God. Every power lent us of heaven is to be used in doing the work assigned us by the Lord for those who are perishing in ignorance. The warning message is to be sounded in all parts of the world.... A great work is to be done, and this work has been entrusted to those who know the truth for this time. - The Review and Herald, November 23, 1905.

Welcome to 2030. I own nothing, have no privacy, and life has never been better

Time of trouble is very Near!

This is not speaking of the wars and general political strife as we know them because though loosening, they are actually still being, to a great extent, held in check. "While already nation is rising against nation, and kingdom against kingdom, there is not now a general engagement. As yet the four winds are held until the servants of God shall be sealed in their foreheads. Then the powers of earth will marshal their forces for the last great battle." - Testimonies, vol. 6, p. 14.

THE GREAT DAY OF THE LORD IS NEAR, it is near, and hasteth greatly, the MIGHTY MEN SHALL CRY THERE BITTERLY.

That day is a day of WRATH, a day of TROUBLE and DISTRESS, a day of WASTENESS and DESOLATION, a day of darkness and gloominess, a day of clouds and thick DARKNESS...

The Four Winds of Strife - Revelation 7

Why is that the countries of this world are held in check when we can see that they are always trying to flex their muscles against one another? "The restraining Spirit of God is even now being withdrawn from the world. Hurricanes, storms, tempests, fire and flood, disasters by sea and land, follow each other in quick succession. Science seeks to explain all these. The signs thickening around us, telling of the near approach of the Son of God, are attributed to any other than the true cause. Men cannot discern the sentinel angels restraining the four winds that they shall not blow until the servants of God are sealed; but when God shall bid His angels loose the winds, there will be such a scene of strife as no pen can picture." - Testimonies, vol. 6, p. 408.

What Happens When the Winds Are Released?

Natural Disasters:

We are amid the perils of the last days, and trying times are before us. Everything that can be shaken will be shaken, that those things that cannot be shaken may remain. Drought, famine, pestilence, earthquakes, casualties by sea and land, will multiply. Life will be unsafe anywhere, only as the life is hid with Christ in God. Now, while the angels are holding the four winds, is our opportunity to seek the Lord most earnestly. (Manuscript Releases, 20:285)

What Happens When the Winds Are Released? (cont'd)

Immorality, Violence, and Persecution:

We feel depressed, greatly depressed, as we see the world and its wickedness. The professed Christian world is enveloped in the darkness that covers the earth. We sigh and cry for the abominations that are done in the land. Why is it that all this wickedness does not break forth in decided violence against righteousness and truth? It is because the four angels are holding the four winds, that they shall not blow upon the earth. But human passions are reaching a high pass, and the Spirit of the Lord is being withdrawn from the earth. (In Heavenly Places, p. 96)

What Happens When the Winds Are Released? (cont'd)

National Disputes Escalate:

Old controversies which have apparently been hushed for a long time will be revived, and new controversies will spring up; new and old will commingle, and this will take place right early. The angels are holding the four winds, that they shall not blow, until the specified work of warning is given to the world; but the storm is gathering, the clouds are loading, ready to burst upon the world, and to many it will be as a thief in the night. (Special Testimonies, Series A, No. 1b, p. 38

What Happens When the Winds Are Released? (cont'd)

Terrible Destruction Flattens Great Structures:

The time is right upon us when there will be sorrow in the world that no human balm can heal. Even before the last great destruction comes upon the world, the flattering monuments of man's greatness will be crumbled in the dust. God's retributive judgments will fall on those who in the face of great light have continued in sin. Costly buildings, supposed to be fireproof, are erected. But as Sodom perished in the flames of God's vengeance, so will these proud structures become ashes. (Maranatha, p. 175)

What Happens When the Winds Are Religious Rights Denied:

Released? (cont'd)

The time is fast approaching when we shall be made to feel the hand of oppression, because we demand our religious rights. Shall we then dishonour God by keeping silent, when his holy commandments are being trampled under foot? Review and Herald, December 11, 1888)

The Sealing Time will finish

We already know that the seal of God is proper Sabbath keeping. It is in direct contrast with the seal or mark of the beast, which is the desecration of the seventh-day Bible Sabbath by intentionally observing the first day of the week as sacred.

Because the third angel is the sealing angel, and because his work is so vital in the closing scenes of this earth's history, we need to pray and meditate on every aspect of this message. The messenger of the Lord writes: "'Fearful is his work. Awful is his mission. He is the angel that is to select the wheat from the tares, and seal, or bind, the wheat for the heavenly garner. These things should engross the whole mind, the whole attention.'" - Early Writings, p. 118.

When the observance of Sunday be mandatory, each person must decide whether to accept the sign of authority of God (Sabbath) or the authority of men (Sunday)

The Wrath of God - 7 Last Plagues

What will happen to those who receive this mark of the beast power? "And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand, the same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb." And what is the complete and full wrath of God? "And I saw another sign in heaven, great and marvellous, seven angels having the seven last plagues; for in them is filled up the wrath of God" (Revelation 14:9, 10; 15:1).

One needs to ponder...

When we speak in practical terms of being sealed, we need to understand that we are talking about perfecting one's character. "We may talk of the blessings of the Holy Spirit, but unless we prepare ourselves for its reception, of what avail are our works? Are we striving with all our power to attain to the stature of men and women in Christ? Are we seeking for His fullness, ever pressing toward the mark set before us—the perfection of His character? When the Lord's people reach this mark, they will be sealed in their foreheads. Filled with the Spirit, they will be complete in Christ, and the recording angel will declare, 'It is finished.'" - The SDA Bible Commentary [E. G. White Comments], vol. 7, p. 1118.

Need to Work to Preserve Our Freedom

Let none sit in calm expectation of the evil, comforting themselves with the belief that this work must go on because prophecy has foretold it, and that the Lord will shelter His people. We are not doing the will of God if we sit in quietude, doing nothing to preserve liberty of conscience. Fervent, effectual prayer should be ascending to heaven that this calamity may be deferred until we can accomplish the work which has so long been neglected. Let there be most earnest prayer, and then let us work in harmony with our prayers. . . . Man's necessity is God's opportunity. It may be that a respite may yet be granted for God's people to awake and let their light shine.

Don't Be Focused on the Trivial

The Lord has shown me the danger of letting our minds be filled with worldly thoughts and cares. I saw that some minds are led away from present truth and a love of the Holy Bible by reading other exciting books; others are filled with perplexity and care for what they shall eat, drink, and wear. Some are looking too far off for the coming of the Lord. Time has continued a few years longer than they expected; therefore they think it may continue a few years more, and in this way their minds are being led from present truth, out after the world. In these things I saw great danger; for if the mind is filled with other things, present truth is shut out, and there is no place in our foreheads for the seal of the living God.

People are strange: They are constantly angered by trivial things, but on a major matter like totally wasting their lives, they hardly seem to notice.

- Charles Bukowski

Study the Bible as Never Before

Study your Bible as you have never studied it before. Unless you arise to a higher, holier state in your religious life, you will not be ready for the appearing of our Lord. As great light has been given, God expects corresponding zeal, faithfulness, and devotion on the part of His people. There must be more spirituality, a deeper consecration to God, and a zeal in His work that has never yet been reached. Much time should be spent in prayer, that our garments of character may be washed and made white in the blood of the Lamb. (Testimonies for the Church, 5:716, 717)

Overcome through Dependence on God

We must hang our whole weight on the world's Redeemer; he must be our dependence for strength. Without this, all our efforts will be unavailing. Even now the time has come when we must recognize this fully, or we shall be outgeneraled by a powerful, cunning foe. We must connect more closely with God; and all our plans and arrangements must be in harmony with his plans, or they will not prove effectual.

The Holy Spirit is grieved and driven away by the self-sufficiency and rude traits of character which are cherished. These unhallowed elements must be burned out by the Spirit of God.

Help in Temptation

While Satan is constantly seeking to blind their minds to the fact, let Christians never forget that they "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against wicked spirits in high places." Ephesians 6:12. The inspired warning is sounding down the centuries to our time: "Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour." 1 Peter 5:8. "Put on the whole armor of God, that ye may be able to stand against the wiles of the devil." Ephesians 6:11. (The Great Controversy, p. 510

Now Is Time to Work Earnestly

Some have been preaching the Word whose labors are tainted with impurity and licentiousness. They have done far more harm than good. Unless they shall turn from their evil ways, they will perish with the wicked. Others have carried the truth in a very indifferent manner; they have had no real burden of the work; they have gone backward rather than forward. It is high time for these to retrace their steps, for they have lost their first love. The Lord's injunction to them is, "Remember therefore from whence thou art fallen, and repent, and do the first works; or else I will come unto thee quickly, and will remove thy candlestick out of his place, except thou repent." (Manuscript Releases, 15:306)

Whereunto I also labour, striving according to his working, which worketh in me mightily.

Spend Your Money to Save Souls

The necessities of the work now demand a far greater outlay than ever before. The Lord calls upon His people to make every effort to curtail their expenses. . . . Let the money that has been devoted to the gratification of self flow into the Lord's treasury to sustain those who are working to save perishing souls. Let those who have houses and lands give heed to the message, "Sell that ye have, and give alms." "Bring ye all the tithes into the storehouse; that there may be meat in Mine house, and prove Me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it" [Malachi 3:10].

God protects His people

I also saw that many do not realize what they must be in order to live in the sight of the Lord without a high priest in the sanctuary through the time of trouble. Those who receive the seal of the living God and are protected in the time of trouble must reflect the image of Jesus fully. I saw that many were neglecting the preparation so needful and were looking to the time of "refreshing" and the "latter rain" to fit them to stand in the day of the Lord and to live in His sight. Oh, how many I saw in the time of trouble without a shelter! (Early Writings, p. 71)

Conclusion: Don't Let the Warning Go Unheeded

When the Saviour saw in the Jewish people a nation divorced from God, He saw also a professed Christian Church united to the world and the papacy. And as He stood upon Olivet, weeping over Jerusalem till the sun sank behind the western hills, so He is weeping over and pleading with sinners in these last moments of time. Soon He will say to the angels who are holding the four winds, "Let the plagues loose; let darkness, destruction, and death come upon the transgressors of my law." Will He be obliged to say to those who have had great light and knowledge, as He said to the Jews, "If thou hadst known, even thou at least in this thy day, the things which belong unto thy peace! but now they are hid from thine eyes"? (Review and Herald, October 8, 1901)
