### From after the Flood through history...

religious state, founded by Nimrod not long after the flood. (Genesis 10:8-10) Nimrod married his mother Semiramis, who was worshiped as Rhea the great "Mother" of the gods, and raised Babylon to a bad eminence among the nations as the grand seat at once of idolatry and consecrated prostitution. It is from here also that the worship of mother and child stems, with many other false forms of worship that we still see today throughout the churches. - The Two Babylons by Rev. Alexander Hislop.

Babylon was the great counterfeit

### History of this World from Babylonian Empire!

The vast kingdom of Babylon was prosperous, yet king Nebuchadnezzar stirred in bed. How long would his golden era last? That night, a towering multi-metal man flashed into his mind. The king jumped out of bed, called all courts men, come at once: tell the dream & its meaning (Daniel 2:1-2):

### Let's examine the King's courts-men!

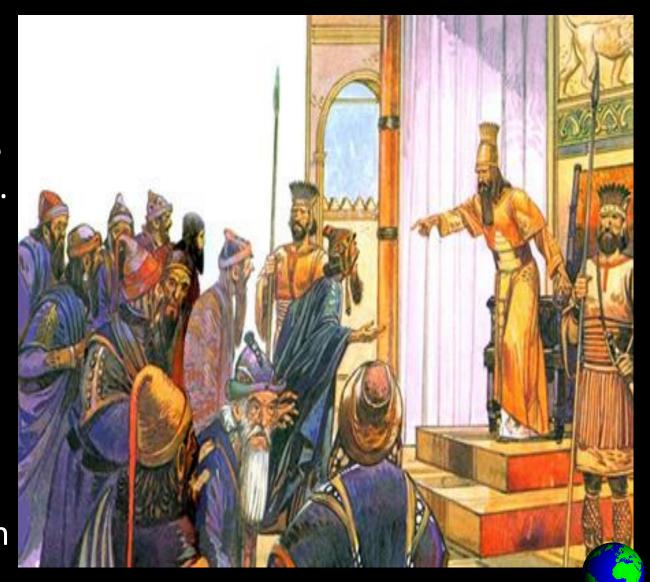

Magicians - Practiced superstitious rights and ceremonies of fortune tellers, casters of nativities.

<u>Astrologers</u> - Pretended to foretell the future events by the study of the stars.

**Sorcerers** - Pretended to hold communication with the dead.

<u>Chaldeans</u> - These made physic (the art or skill of healing), divinations (discovering future events).

They all claim to be in touch with the other side and the gods. For this reason, the king called them, for he wished for them to use their powers in aiding him with his problem.

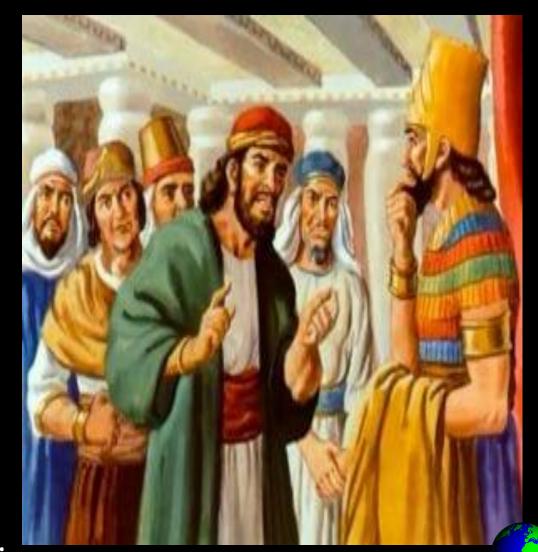

### The challenging scenario in Daniel 2:5-9

#### The king:

- He does not tell them the dream.
- He is distrustful and afraid of a false interpretation.
- On one hand he pressures them; on the other he offers honor and gifts.
- His distrust increases. He succumbs to wrath and issues a death decree.

#### The wise men:

- They demand to know the dream.
- They exhibit only human wisdom and a seemingly arbitrary interpretation.
- They make a second demand to be told the dream, exposing their insecurity and trickery.
- They refuse to meet the king's request on the grounds that it is humanly impossible to fulfill.

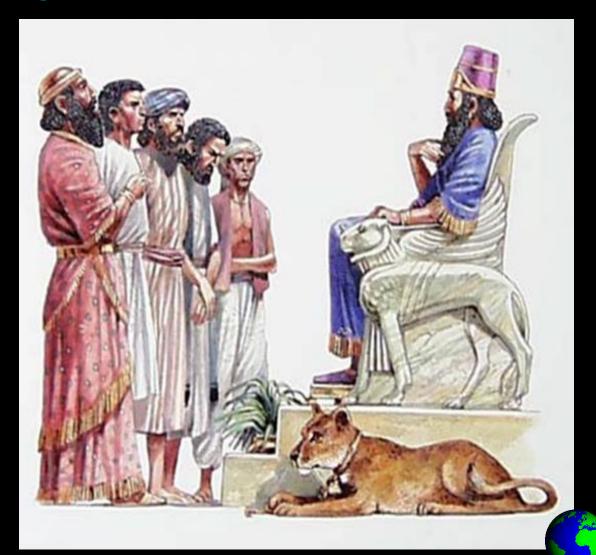

# The Courts-men can't Hide Anymore – Daniel 2:10-12

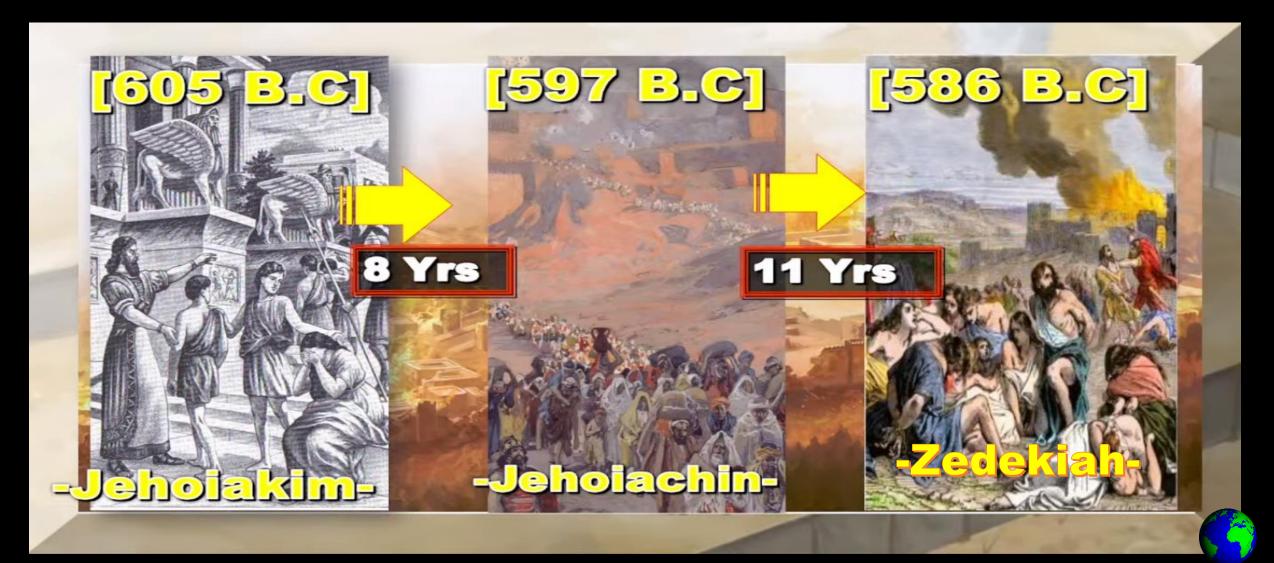

Overwhelmed with frustration, the king commands that all the wise men of Babylon be killed.

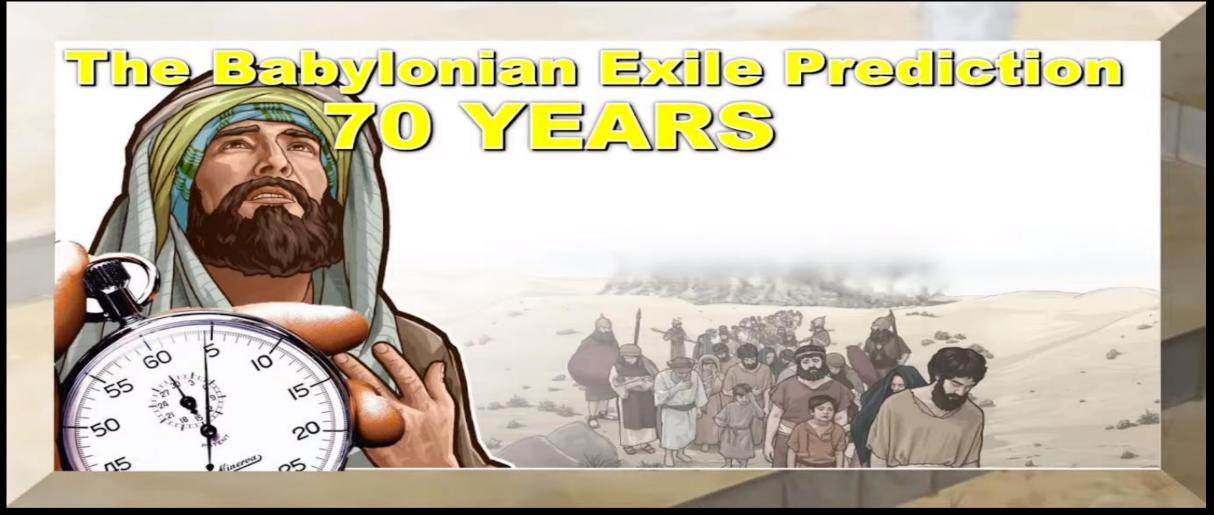

Such an atrocity was not unknown in the ancient world.

When Nebuchadnezzar issues his decree, Daniel and his companions have just finished their training and been admitted into the circle of the king's experts. For this reason, the death decree issued by the king applies to them as well.

### Some background: Israelites were taken captive and are in Babylonian education! - Jeremiah 20–22; 24–29; 32; 34–45

When God puts you in a situation! There is no man alive or the hosts of hell that can get you out of it until your appointed time! – Jeremiah 25:11-12

#### God is merciful: with 3 decrees from 3 kings Israelites go to restores Jerusalem – Ezra 6:14

Daniel goes to the king and asks for some time and that God will reveal the dream! - Daniel 2:16

Some points to consider:

- 1. The king is still disturbed by the dream and may be glad for the possibility of the interpretation of the dream.
- 2. Daniel was not with the other wise men when the king first asked for an interpretation.
- Possibly, the king considered it fair to allow Daniel to try as he has been found to be 10 times wiser (Daniel 1:20).
- 3. The wise men demanded to know the details of the dream. But, Daniel requests only time and not the details.

#### Daniel's Only Option: Pray to God - Daniel 2:17-18

Immediately after consulting with the king, Daniel returns to his house where Hananiah, Mishael, and Azariah are present. Daniel reveals unto them the situation at hand so all could come before the throne of grace and partition God for mercy in their time of need, (Hebrews 4:16) so that they would not perish with the rest of the wise men of Babylon.

#### Daniel before the King - Daniel 2:26-38

Now Daniel gives the interpretation. He starts by telling the king that he is a king of kings, but also reminds him that it is the God of heaven that gave to him this kingdom and power, strength, and glory, so as to not allow the king any pride or self glory in the matter, but remind him of the true God. Babylon thought itself above retribution, and trusted in their spiritual leaders, but they were being led astray by them.

#### The Time Frame of the Dream — Daniel 2:38-44

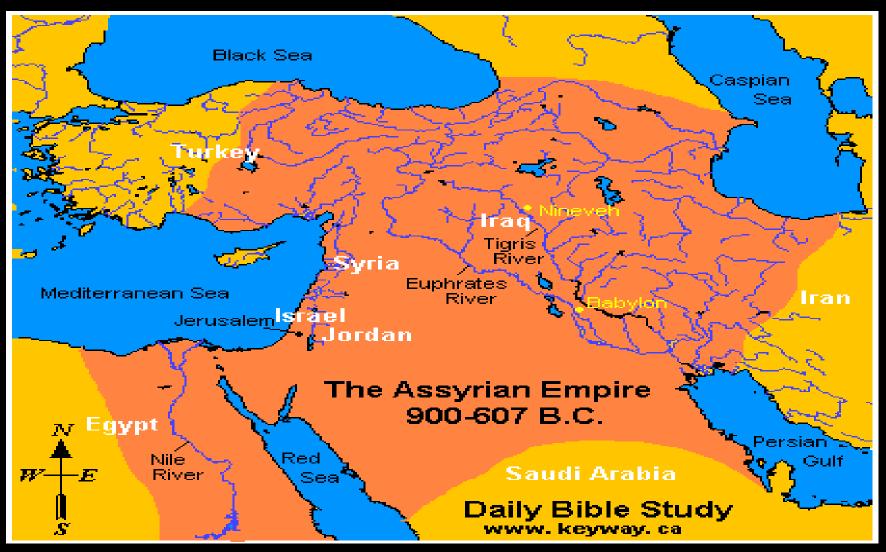

- It starts with Nebuchadnezzar's kingdom.
- It ends with the kingdom of God 2<sup>nd</sup> Coming.

The dream describes world history from the Babylonian time till the end of the world.

The image consisting of different metals decreasing in value represents earthly kingdoms/empires.

### The Fall of Babylon - Daniel 5

"Mene, mene, tekel, upharsin" is an Aramaic phrase. It refers to the words that Daniel interpreted that was written on the wall during King Belshazzar's Feast.

The interpretation of the words is as follows:

Mene: God has numbered the days of your kingdom and brought it to an end

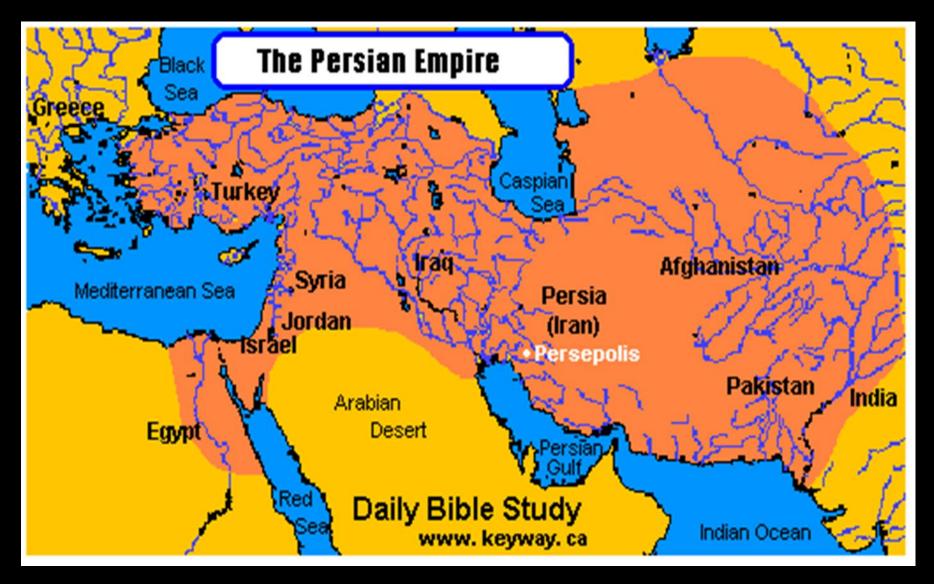

<u>Tekel</u>: You have been weighed and found wanting

<u>Upharsin</u>: Your kingdom is divided and given to the Medes and Persians

### Jesus is born to save man during the Roman Empire – Isaiah 9:6; Matthew 1:18-2:23

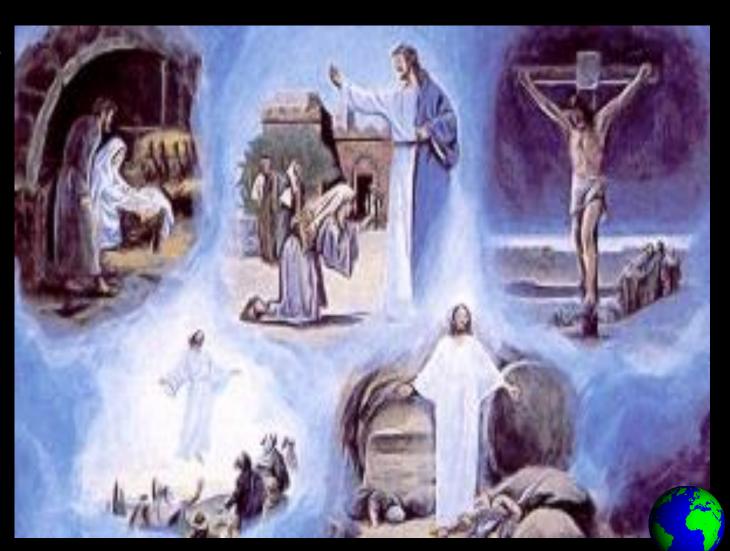

### The history of this world is divided into 2 eras based on Jesus:

**BC** – Before Christ which is the Old Testament time period of the Bible.

AD - Anno Domini, which is Latin for in the year of the Lord (Jesus Christ) which is the New Testament Bible time period till the end of the world.

BCE - Before Common Era & CE - Common Era originated in the 1700's and are now widely used in many fields, especially science and academia.

The Change of the terms in effect nullifies the sacrifice of Jesus that He came to die for humanity.

#### Papacy & USA will pass a Sunday Worship Law

In the movements now in progress in the United States to secure for the institutions and usages of the church the support of the state, Protestants are opening the door for the papacy to regain in Protestant America the supremacy which she has lost in the Old World. – Last Day Events, EGW, 132.3

The [Catholic] Church is above the Bible; and this transference of Sabbath observance from Saturday to Sunday is proof positive of that fact. 99

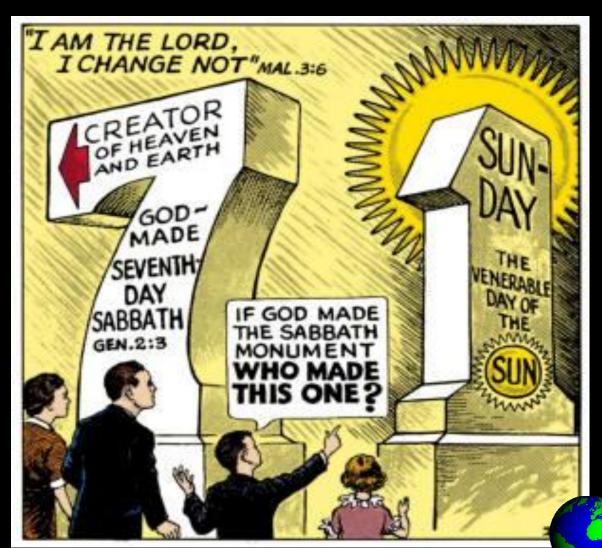

Catholic Record of London, Ontario, September 1,1923

#### Papacy & USA will pass a Sunday Worship Law

History will be repeated. False religion will be exalted. The first day of the week, a common working day, possessing no sanctity whatever, will be set up as was the image of Babylon. All nations and tongues and peoples will be commanded to worship this spurious sabbath.... The decree enforcing the worship of this day is to go forth to all the world. – ibid, 134.5

The substitution of the laws of men for the law of God, the exaltation, by merely human authority, of Sunday in place of the Bible Sabbath, is the last act in the drama. — ibid, 135.5
